In the space provided below please list the various reasons why you would like to become a Junior/Cadet Firefighter with the Winfield/Foley Fire Protection District.

Due to recommendations and requirements of the Missouri Fire and Rescue Training Institute, Firefighters of the Winfield/Foley Fire Protection District shall not grow a beard, sideburns, or lengthy hair styles that may interfere with a proper face piece seal of Self-Contained Breathing Apparatus.

Due the possibility of burns and other injury, the Winfield/Foley Fire Protection District does not allow any Junior/Cadet to wear head jewelry at anytime when on duty or performing functions for the fire district.

The Winfield/Foley Fire Protection District requires that members of the Junior/Cadet Firefighter program maintain their educational training through their school. The Fire District does not wish for member activities with the junior/cadet program to deter from their formal education. Members are required to maintain good grades. Poor grades are grounds for dismissal from the Junior/Cadet program.

Parent/Guardian Statement

I hereby state that I am the parent/legal guardian of the minor child

who has made application with the Winfield/Foley Junior/Cadet Program.

I further state that I have received a copy of the rules, regulations and bylaws of the junior/cadet program; that I fully understand that my child may be riding on a fire apparatus to and from emergency incidents from time to time within the Winfield/Foley Fire Protection District; that my child may assist the regular firefighters at fire district functions and on the scene of an emergency incident; that I fully understand the possible risk involved in such activity and I hereby consent and give permission for my child to be trained and involved in the program and organization as a Junior/Cadet firefighter.
